Sir,

With reference to your letter No.L 1200/Ml.63-23-2 dated 11th August 1923 forwarding copy of a proclamation of the alteration of the boundaries of the Chitaldrug town municipality for taking necessary steps under section 8 of the Municipal Regulation VII of 1906, I have the honor to state that the said proclamation dated 16th August 1923 was caused to be published in the Mysore Gazette and a copy was also published on 1st September 1923 in the Chitaldrug town and also in the villages or Agasankal and Garehatti which are proposed by the Municipal council to be included within the municipal boundary. Copies of proclamations so published are herein enclosed for kind reference.

Two petitions viz one from Mr.Matada Rajachar, Jodidar of Garehatti jodi village and the other from the merchants and citizens of Chitaldrug town municipality were received in this office on 6th October 1923 and 15th October 1923 respectively and the same are forwarded herewith.

Mr. Matada Rajachar objects to the inclusion of Garehatti village called also by another name Cholagatta) into the municipal limits of the Chitaldrug town on the ground that the said jodi village was granted to him by Sannad No. 52 dated 18th December 1913 and since then he has been managing the affairs of the village and enjoying the land revenue and mohatarfa of the village. If the village were to be included within the municipal limits, the municipality may levy octroi, toll and other taxes and thereby his income may be affected. He therefore prays that the said village and the S.Nos. belonging to the same may be excluded from the municipal limits.

The merchants of Chitaldrug town have put in an objection to the proposal of the municipal council stating that neither of the villages of Agasanakal and Garehatti should be included within the municipal limits on the ground that the municipality have been levying both toll and octroi which are unnecessary and that the said villages being very near to the Railway station are affording great facility to the towns-people to stock the dutiable articles in those villages and export the major quantity to moffusil places like Challakere, Hiriyur &c., when the same are not required for local consumption and that besides the said villages are situated 1½ miles from the town. For the above reasons they object to the extension of the limits of the municipality and also urge that the entire proposal of the municipal council may be cancelled and matters allowed to remain as before.

I have the honor to be,

S I R,

Your most obedient servant,

Deputy Commissioner,

Chitaldrug District.

MEMORANDUM

From

The Deputy Commissioner,

Chitaldrug District.

To

17th July 1924. 191

The Secretary to Government,
Local & Legislative Departments,
BANGALORE.

Sir,

With reference to your letter No.L.5527/M1.63-23-4 dated 16th January 1924 requesting me to furnish opinion regarding the objection petitions received on the proposal of the town municipal council, Chitaldrug for the alteration of the boundaries of the Chitaldrug town municipality, I have the honor to forward herewith letter No. 26 dated 14/15th July 1924 in original (to be returned when done with), received from the President of the municipal Council in the matter.

As regards the objection petition received from Mr. Rajachar, the Jodidar of Garehatti village, it is reported that the rights and privileges of the Jodidar in the collection of the Mohatarika and other taxes will not be interfered with by the municipal council (vide copy of the resolution enclosed).

As regards the second objection petition from the merchants of the Chitaldrug town, it is reported that the merchants are in the habit of stocking dutiable articles in the villages of Agasanakal and Garehatti and removing stealthily into the town the said articles without payment of duty to the municipality. The Municipal Council with a view to prevent the smuggling of dutiable articles have proposed for the inclusion of the two villages referred to above within the municipal limits

For the reasons stated above, I am of opinion that the objection raised by the merchants does not stand to reason. As the municipal council have

[Please reply overleaf

will not interfere with the rights of the Jodidar of Garehatti village to collect Mohatarfa and other existing taxes in the village and that the objections of merchants are based on interested motives to smuggle dutiable articles in the villages proposed to be included in the Municipal Council, Government do not see sufficient grounds to accept the objections of the petitioners. They are accordingly pleased to sanction the proposal of the Municipal Council for the alteration of the boundaries of the Town Municipality, subject to the condition mentioned in regard to the rights of the Jodidar in question.

2 A Notification altering the limits of the Chitaldrug Town Municipality as per terms of the proclamation will be published in the Gazette.
